

Report of The MCOP5

Police Modern School 41BN PAC Vaishali ghaziabad work has started at ground level according to the action plan submitted by the **school target 3** **'Restore urban biodiversity** .Selected students were talked to in the first phase site found to work.A rally was taken out to make the community & the school children aware. How many plants are there,numbering was done & new plants were installed.seed bank was created in the school.**School principal Mrs. Prachi Jain** and team is completely dedicated to the project.

Students were very enthusiastic & energetic during the sessions.

All of us are very thankful to **WWF** for giving the children such a great project to work on.
