

# VEDA VYASA D.A.V. PUBLIC SCHOOL

## **MODEL CONFERENCE OF PARTIES 5**

### **MCOP 5 Target 6**

"Together, we can build a greener future!

Introducing a comprehensive community-wide recycling program, designed to bring institutions, Resident Welfare Associations (RWAs), and local recyclers together.

From planning to execution, this initiative ensures sustainable waste management, creating cleaner neighborhoods while promoting environmental responsibility.

**Join hands with us to recycle, reduce, and rejuvenate!"**

### **ACTION 1**

#### **INVESTIGATION OF SOCIETIES, INSTITUTIONS, RWA AND LOCAL RECYCLERS -**

1. Identified the following societies near our School :

-Evershine Apartments

-Krishi Apartments

-Devdoot Apartments

2. Interaction with the RWA authorities and management authority.-

President of Evershine Apartments

3. Investigated and studied the waste to be recycled.

- Investigated the types of waste and studied that plastic waste is abundant in Delhi. Therefore we contacted the recyclers and decided to recycle the plastic waste.

# Spreading Awareness NUKKAD NATAK

## ACTION 2

### Collection of Plastic Waste

By Students and teachers

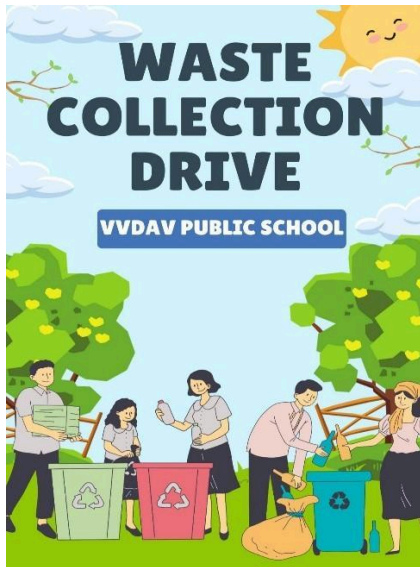

## COLLECTION OF WASTE IN SCHOOL

1. Social media – reels, posts, jingles, ads etc. our school channel

- Students of the IT club made posters and posted them on the Instagram handle of our school.

2. From the nearby residential society .

- We collected plastic waste from Evershine Society.

- Many residents helped us and the president of society also thanked us for the initiative.

### **ACTION 3**

**“Closing the loop” Sending Plastic Waste to Recyclers for a Sustainable Future**

**Awareness Session by Official of ICPE**

Our Partners Indian Pollution Control Association (IPCA) and Indian Council for plastics in environment (ICPE)

2. We sent the waste collected to Indian Centre for Plastic in the Environment(ICPE) is a not-for-profit organisation conceived on 2001 by a group who firmly believed at promoting environmentally sustainable practicals at individual, community, institutional and industrial level.
