

Infuse environmental themes in your lessons and celebrate Green Days with these resources.

## April | Beginning of Summer

It's the season for ice creams, beach visits, holidays from school, and so much more! What are your favourite summertime activities? Take some time out to explore nature this summer.

**You can start with these fun resources!**

**Activity Guide** Animals like reptiles thrive in hot and desert environments and depend on external heat to regulate their body temperature. Keep an eye out for them on your next field trip!
