## 12 October | World Migratory Bird Day

Did you know that the bird, Arctic tern makes a round trip between Arctic and Antarctic every year? And over its lifespan of more than 30 years, the flights can add up to the equivalent of three trips to the moon and back!

**Follow the birds in their flight paths with these resources!**

**Podcast** Listen to this podcast to learn about how you can spot migratory birds hiding in plain sight!

<https://academy.wfindia.org/2021/04/10/chit-chat-chirpies/>

**Video** Watch this video to find out how you can help birds during their long journey.

[https://www.youtube.com/watch?v=Q-mMMpl\\_T8o](https://www.youtube.com/watch?v=Q-mMMpl_T8o)

**Comic** Have you ever spotted this little traveller in your backyard? Check out this comic to learn more.

<https://academy.wfindia.org/2022/01/20/warbler-at-the-window/>

**Map** Curious about bird migration routes? Click on any bird to find out their migration map.

<https://birdcount.in/migration-maps-home/>

## 16 October | World Food Day

Did you know that one-third of all food produced is not eaten because it is either lost or wasted! Do you think we can end global hunger by minimising food waste?

**Take a bite of these informative resources and be a food hero!**

**Activity** Build your own solar oven, a green way to heat your food!  
<https://www.youtube.com/watch?v=nsXhfpE5NCY>

**Game** Create your own balanced diet through this game. Remember to also do the same at home at meal-times!  
<https://www.healthyeating.org/products-and-activities/games-activities/myplate>

**Comic** In several Indian states, it's not just the fisherfolks on the lookout for fish, but also a wild cat! Learn more about the elusive cat.  
<https://academy.wfindia.org/2022/01/20/the-fishermen-from-bengal/>

**Video** You can be a food hero just like these kids from around the world. Watch this video to find out more.  
<https://www.youtube.com/watch?v=DqDL4hsAqZs>

## 26 October | World Sustainability Day

Do you know that a plastic bag is used for an average of 12 minutes but will remain in the environment for 1,000 years before it decomposes! Every choice you make shapes the future of our planet.

### Learn more about sustainability with these resources!

**Video** What does sustainable living mean? Watch this video to find out.

<https://www.youtube.com/watch?v=PBkmOhOk8nk>

**Worksheet** Complete this worksheet to learn more about plant lifecycles.

<https://ecosource.ca/wp-content/uploads/2022/01/Primary.pdf>

**Game** Play this game and win it by making greener decisions!

<https://www3.epa.gov/recyclecity/challenge/index.html>

**Podcast** Do you know what kind of footprint you are leaving behind? Listen to this podcast to learn more.

<https://academy.wfindia.org/2021/04/24/our-footprint/>
